Jaya Sakthi Engineering College (JSEC), offers high quality education in an environment that promotes creativity, innovation, scholarly pursuits, values and excellence with the art, infrastructural, instructional, training and extra-curricular facilities. JSEC was set up with an aim of providing high quality educational research and training programs in Engineering, Science & Technology. The college is approved by All India Council for Technical Education, New Delhi (AICTE) and affiliated to Anna University Chennai.

The National Conference on Innovation and Sustainability in Civil Engineering and Technology will be held on 26th of August 2016 at Chennai, Tamil Nadu. Though rapid strides are registered in various civil Engineering practices, the same technologies can be further improved by having fruitful deliberations at various platforms. In this context, this conference gives emphasis on state of the art of civil Engineering practices and innovations. The Main aim of the conference is to highlight the recent advances in manufacturing and materials by bringing scientists, professionals and industrialists who are actively involving in research in these areas. Engineers, architects, researchers, academicians, students, contractors, government officials, industrial professionals are invited to share their knowledge. We hope this conference can serve a better platform for further development to understand and enhance the knowledge in the concept of innovations and and sustainability in civil engineering and its relevant areas.

Researchers, Professionals, Academicians, Scientist from R&D organizations, Professionals from Government and Public sectors and PG students are invited to contribute papers arising out of their original work and participate in the conference. There will be awards (First and Second prize) for the papers based on presentation and content during the conference.

Registration fee includes course materials, lunch and snacks during the conference. Maximum four members are accepted per paper. Participants are required to register through online and payment is accepted at 26 Aug on the spot.
